Homecoming Winners

Saturday, October 14, was Homecoming Day at Old Rochester Regional High School and as tradition will have it the floats were on parade at the football game with Bourne High School. On our cover and the pages following are the winning entries. First prize went to the Seniors' creation with the ORR team bulldogging the "little dogs" of Bourne. Below on the cover is the second place sophomore winner for their bulldog

The New Generation of Original Mother's Rings

Symbolizing the eternal love of both parents, a generous band of gold serves as a stunning backdrop for high quality stones. You may choose the birthstones of each child or perhaps select a diamond or a series of stones representing your children ...

Be creative and add stones at any time.

The rings are available in 14K or 10K Yellow Gold .. you may order either synthetic or genuine stones.

Plan now for for Christmas; she'd love the Mother's Ring, but it takes 2 or 3 weeks to complete the ring ..

why not order now?

lifeguard who has just buried the Bourne team under a gigantic sand castle. The "Perils of Pauline" was the inspiration for the juniors. Their train is about to run over the unfortunate Bourne player tied to the tracks (see detail on page 2). The "Wheel of Domination" by the freshman class (page 4) no doubt was based on the popular TV show with hostess Vanna. You can guess the bankrupt team.

The homecoming game was a smashing success with ORR fans as the home team lived up to all of this advance billing by notching a 33 to 15 victory.

At the evening dance, Jason Dean of the freshman class was crowned king and Holly Anderson, a senior, was chosen as queen.

"No" to Landfill Takeover

MATTAPOISETT SPECIAL TOWN MEETING OCTOBER 17, 1989-by VIRGINIA MORGAN

The vote was an overwhelming NO by the 315 voters at the Special Town Meeting Tuesday, October 17th, at the Old Rochester Regional High School auditorium when they were asked whether the town should give EAC Operations, Inc. the right to operate, maintain, close and cap the existing used portion of the Mattapoisett sanitary landfill.

Several questions of legality were raised during the two-hour meeting which consisted of only one article on the warrant proposed by the Board of Health. Health Board spokesman Daniel C. Lee said the board has held several open sessions where the public could hear the proposal and ask questions and make comments. "The town

has been informed - now we want some direction from you, the voters", said Mr. Lee.

Former Selectman James F. Huntoon recommended an amendment to the article to change the wording "to ratify" a contract negotiated between the town of Mattapoisett, the Board of Health and Board of Selectmen and EAC Operations Inc., to read "to authorize the Board of Health and Board of Selectmen to negotiate a contract". Mr. Huntoon claimed the word "ratify" implied that a contract exists whereas no contract exists - just a proposal. He agreed to defer voting on the amendment until the Board of Health had outlined the proposal. After the presentation by the Health Board and the spokesman for EAC, the amendment was defeated.

Mr. Ron Michalski, Tighe and Bond consulting engineer for the Landfill Project, showed slides and spoke on the background of the proposal, the history of the landfill, present status and future problems, either with the town operating the landfill or having EAC operate the landfill. The total landfill area is 20 acres, he said, 12 acres of which are now being used and will have to be capped before the remaining

eight acres will have to be lined for future use. An estimated cost of $800,000 was given to cap the 12 acres.

Mr. James Cleary, operations manager of EAC Operations, Inc., a subsidiary of Energy Answers Corp., distributed pamphlets explaining the proposal from his company's viewpoint. He explained EACO can provide the services and proposes to save the town more than $2. million in landfill costs; earn $500,000 in fees; improvement in the environmental quality of the groundwater; the town would have 24 hour inspector on site; convenience transfer station; close and cap the landfill and have a recycling program. In addition, Mr. Cleary said, EACO will share the liability jointly and separately; "we are cautious but we are confident in our ability to carry out the operation." In response to a question on bonding for the project, Mr. Cleary suggested a percentage of the revenues would be under Mattapoisett's contract with money drawn down; money that would accrue through the life of the project. His response did not seem to satisfy several voters on the liability if the company should withdraw or go bankrupt.

Daniel O. Mahoney cited a flaw in the type of contract being negotiated. "I believe from information I have on an Appeals Court decision on public works contracts that this type of construction suggests a public works proposal and, as such, should have specifications and public bidding. The landfill is a public project on public land." He pointed out that if this contract is attractive to EACO, it is common sense to assume other people might also think it's a good idea. "I suggest you regather and prepare speci-

After a vote asked the Board of Health members for their opinions, Chairman John Bowman said he was against the proposal, saying, "We don't want a mountain of trash in Mattapoisett, and no way are we going to smell like a rose." (The mountain of trash he referred to was the ability EACO would have to pile the trash much higher than Mattapoisett would.) Member Mr. Lee favored the proposal saying, "EACO will be liable forever if they cap the landfill and will save the town many thousands of dollars in operation and capping costs which have been mandated by the state DEP (Department of Environmental Protection). Member Evelyn Ellis said she favored the proposal, saying "We were told we would have to cap the landfill and capping is expensive. We looked at alternatives and I feel this is the best way to meet our needs what with every department in town needing money."

Mr. Stephen J. Lombard asked the Board of Selectmen how they stand on the proposal. Chairman Bernard F. Talty said he is opposed. "This is an expensive issue. The Board of Health has taken us through the information process and the Board of Selectmen have listened intently. I feel this discussion should continue." Selectman William F. Hubbard was also opposed, saying "This would be a temporary stop to the problem. It will still be here. We can go up 10 feet and we will have to pay for the liner when the time comes." Selectman John N. DeCosta who also opposed said, "As it is presently proposed, I am against it."

Mr. Lombard said he was concerned with the construction materials that could be dumped in Mattapoisett. He was also con-

cerned with no bonding offered by EACO.

He noted the town where he works has reduced its landfill capping costs from $4. million to a little over $1. million by utilizing other methods. Mr. Robert Cattley expressed his opinion there may be other alternatives either in-house or to look for an outside interest to operate the landfill. "If we operate reasonably and within regulations, I don't feel the state will come down too hard on us", Mr. Cattley said.

Before the warrant article was considered, Moderator R. William Blasdale announced that an interim report would be given by Finance Committee Chairman Elizabeth Kunz on the committee formed at the last Special Town Meeting on the budget to look for alternative methods of picking up the trash door-to-door after January 1, 1990.

Because of budget constraints the Board of Health budget was cut by $32,000 to pay only six months of a $64,000 contract with East Coast Disposal (one year of a three-year contract) for pickup through December 31, 1989. After January 1 townspeople would have to arrange to pay for private pickup.

Mrs. Kunz reported the town has a new growth figure of $43,000 giving it an additional amount it can spend. However, "We are recommending we wait for tonight's decision and until November when we will know what our free cash will be. We do not recommend using the free cash as we know next year's funds will be less. We will, however, find the $32,000 needed possibly by a trash assessment, dump sticker fee or take a second look at budgets. We expect to hold a Special Town meeting in December to determine where the money will come from to continue trash pickup."

A question was asked if the town could consider an active recycling program, as it could extend the life of the landfill and

Annual Halloween Parade

The Mattapoisett Police Department will be conducting their annual Halloween Party and Parade on Tuesday, October 31st, at 6:30 p.m., rain or shine.

The parade route is as follows: assemble on the south side of Center School on Church Street, proceed west on Church to Main Street, south on Main to Water Street to Barstow Street, north on Barstow to Church Street to the rear of Center School, where the prizes will be awarded for the scariest costumes.

The prize categories are: Pre-school, first, second and third; Grades 1, 2 and 3, first, second and third; Grades 4, 5 and 6, first, second and third; adults, first, second and third.

This year judges are Linda Brownell Shea, Randall Kunz and Charles Duponte.

A Halloween Treat

PUMPKINS ONLY SMILE WHEN THEY'RE LIT
Knocking and ringing at doors
some yell 'trick or treat'
Others still quite shy
linger on lamp-lit street
It is a night of lizards tongues,
newts eyes and witches spells
As tiny hobnailed goblins and faerie
princesses
with little fingers poke at door bells
Certain costumes are store-bought
while many are creatively handmade
All watched over by doting guardians

during this happy masquerade
This procession of children out
for Autumn play
A fitting prelude to the one-time seriousness
of 'All-Hallows Day'
The houses festooned with jack-o-lanterns
smiling bright
For a special celebration that casts
a warm glow this night
With bags full of sweet-tooth desires
boys and girls reach their goals
But there are some who turn out the lights
and sit in dark cubby-holes
Those ill-prepared grown-ups afraid
to be seen and stir about
Embarrassed as red-faced children, caught
when their candy all too quickly runs out.

Youth League Basketball

Registration for the town Recreation League boys' basketball program will be held on Monday, October 30th, from 6 to 7 p.m., and again on Wednesday, November 1st, from 7 to 8 p.m., at the O.R.R. Junior High School gym. The program includes both a junior and senior league, and is open to all boys, grades 4-8. Interested boys must bring a registration fee of $15.00 and be accompanied by a parent. It should be noted that all who wish to play, even if on a team last year, must register during one of the two sessions.

Because of severe cuts in the town's athletic budget, parent volunteers will be needed this year if a full complement of programs is to be offered. A sign-up sheet listing the various volunteer opportunities will be avialable at registration. For any additional information please contact basketball commissioner John Shockro at 758-4216.

Sports Volunteers Needed

MYAA is in urgent need of volunteers to help as scorers, timekeepers, referees and coaches during the upcoming boys' basketball program. The season runs approximately eight weeks, and games are played nightly Monday-Friday at the Junior High School gym. For additional information please call Phil Mello (758-2163) or John Haley (758-9338).

League of Women Voters

LEAGUE NAME-MEMBERSHIP COFFEE

The local League of Women Voters proudly announces that it is starting off its fall and winter activities with a new identity. It is now officially the League of Women Voters of Marion - Mattapoisett - Rochester. The League has been working as a tri-town organization for some time but it took several years of intensive effort to convince the LWV of Massachusetts and LWV of the United States that Marion-Mattapoisett-Rochester are a proper and viable unit. The league began as just Marion, then added Mattapoisett and now, with great pride, includes Rochester in its official entry.

This name change is the result of the successful negotiations performed by last year's co-presidents, Debbie Blanchette and Olive Harris. Also, Rochester members worked hard to put together the required "Know Your Town" study. This study, which Rochester members hope to have published soon, will be of great value not only to League members but also to local residents, newcomers and real estate agents.

The LWV of Marion-Mattapoisett-Rochester is holding its first Membership

Entertainment '90 Books

The Old Rochester Professional Educators' Association is selling the Entertainment '90 books for the fourth year in a row. The cost of the book is $30. Five dollars of this sum is donated to the ORPEA Scholarship Fund.

Each year the ORPEA awards scholarships to graduating seniors at Old Rochester Regional High School who have given their time and energy to the school community. Last year scholarships were awarded to Dawn Askew, Lee Barnes, Rachel Bates, Regina Bernard, Nicole Doyon, James Gardiner, Paul Fiedler, Gary Gray, Brett Moreau, James Moss, Susan Parent, Craig Pinto, Josh Pond, Naomi Souza, and Patrick Wetmore. Scholarship money comes from a variety of fund-raising activities sponsored by the ORPEA.

The Entertainment '90 book provides discounts at restaurants in the immediate area along with the Cape, Fall River, Rhode Island, Boston, and Boston suburbs. Some of the restaurants included are Bridge Street Cafe, Station One, Scruples, Daffodils, Lupo's, Louisiana Purchase, and Hong Kong Island. Discounts cover the cost of dinner for one when a second meal is purchased. Some also offer solo dining discounts.

Entertainment '90 also includes discounts for Fayva, Sears, fast food restaurants, sporting events, museums, Boston Ballet,

100 Million Books!

SIPPICAN STUDENTS HELP CHOOSE R.I.F.'s 100 MILLIONTH BOOK

This year, 1989, marks Reading is Fundamental's 23rd year of promoting reading just for the fun of it. By the end of the year, R.I.F. programs across the country will have distributed 100,000,000 books to America's children.

As such, R.I.F. youngsters are encouraged to select the title of a book he/she would choose as R.I.F.'s 100 millionth book. From the entries received R.I.F. will select one at random and designate that book as the winner along with the student who chose it. Prizes include a $500. U.S. savings Bond and books for the winner and his/her school.

5th, from 9 a.m. to 12 noon. There will be a Harvest of Gifts for friends and relatives; knitted and crocheted items; wooden mangers and Victorian and Christmas tree ornaments. Our famous "Country Kitchen" will serve its delicious quahog chowder, baked beans and stuffed quahogs. Hoping to see you there at St. Rose of Lima Church, Vaughan Hill Road in Rochester.

Marion Chicken Pie Supper

The Marion United Methodist Church will hold a Chicken Pie Supper on Saturday, November 11th, at the church on County Road. There will be two sittings, one at 5:00 p.m. and one at 6:30 p.m. Tickets are $6.50 for adults and $3.25 for children under 12.

The main course will feature chicken pie, squash, mashed potatoes, peas, cranberry sauce, rolls and butter. Dessert will be grapenut pudding or jello with whipped cream. Beverages include an apple cider appetizer, and coffee, tea or milk with your meal.

Tickets may be obtained from any church member, or reservations may be made by calling Iva at 748-2195 or Bernie at 995-1370. Be sure to specify whether you will attend the first or second sitting. Come one and all and enjoy this traditional favorite.

Memorial Service

MATTAPOISETT CONGREGATIONAL CHURCH

As we gather for worship on Sunday, October 29th, we will honor the memories of those who have served our town as firemen, policemen, and members of the Rescue Squad, and have died in the last twenty-five years. All names will be read and candles lighted in their memory.

The sermon, "With Our Eyes Open", will speak to our need to be attentive to God's call to service. Perhaps, in the midst of our preoccupation with giving to others we might realize that in fact we have been doing what the Creator has asked of us.

Our worship service begins at 10:30 a.m. Our crib room (nursery service) is available and we welcome you all - Mattapoisett Congregational Church.

FUEL ASSISTANCE - PACE

All previous fuel-assistance clients should have already received a recertification application in the mail. Be sure to check all printed information, make any necessary corrections, and return as instructed.

If you have not applied before and think that you might be eligible a PACE representative will be at the Mattapoisett Town Hall Tuesday, November 14th, from 9 a.m. until noon in the Conference Room. The PACE representative will return on November 21st and November 28th.

To All Seniors:

We are trying to determine if our seniors would enjoy an occasional trip to Old Colony Regional Vocational Technical High School for a beauty treat (shampoo and set, facial or manicure) by their students, for a very reasonable fee. Lunch at the school would be included at reasonable prices. For those desiring permanents, a special trip could be arranged.

If interested, please call the Council on Aging office at 758-3758 between 9 a.m. and noon.

We are still open for our Baltimore three-day New Year's Party, December 30-January 1. The cost includes a dinner show, sightseeing, an afternoon at Harbor Place, a prime rib dinner at the beginning of the New Year's festivities, two breakfasts and two drinks at the New Year's party.

Our Myrtle Beach, South Carolina trip on April 1 to 7 is all set to go. The beachfront hotel has received no hurricane damage and we were assured that all attractions are in good shape. This tour is with the same agency as the trip to Ogunquit and Killington. We are sure, again, that this will be a first class tour.

Appeals Board Decisions

Reported by Virginia Morgan

Four Special Permits and one Variance have been granted recently by the Zoning Board of Appeals, Mattapoisett.

Mr. Joseph L. Battistelli, 4 Tallman Street received a special permit for the division of two lots into two new lots at 4 Tallman Street and to allow the erection of a single family dwelling with attached garage. The land contains less area and does not meet the 30,000 square feet area requirement in the rural residence district, but that surrounding areas have been previously developed by the construction of structures on lots generally smaller than prescribed. No one appeared in opposition.

Mr. Thomas J. and Mrs. Jeanne Ruel Howley of Dedham were granted a special permit for alterations to a nonconforming structure on a non-conforming lot at 19 Silver Shell Avenue in the waterfront district. No one appeared at the public hearing in opposition. Neighboring landowners appeared in favor of the application. The alterations to the single family dwelling are to enlarge the five foot by eight foot bath to 15 foot by 8 foot bath.

Mr. Peter Noyer of Briarcliffe, New York was granted a special permit to convert a one family dwelling into a two family dwelling on his property at 94 Marion Road in the General Business District.

The land contains two acres and includes a two story wood frame single family dwelling in the front part of the lot, and a three-bay garage, a combination of two wood frame garages and one cinder block garage in the rear of the dwelling. The buildings occupy one-third of the lot, the remaining two-thirds being woodland. The structure fails to meet the setback requirement of 65 feet.

Proposed is a conversion of the single family into a two family dwelling consisting of two townhouse apartments, each with three bedrooms, living room, kitchen/dining room, bath and deck. The alterations will not change the footprint and will not increase the existing nonconformity. The septic system has been deemed adequate by the Board of Health. A separate driveway and parking area will be constructed.

The fourth special permit was granted to Mr. Gerald P. and Mrs. Maureen C. Lewis of New Bedford for alterations to an existing nonconforming structure, a single family dwelling on a nonconforming lot owned by applicants at 3 Ocean View Avenue in the Brant Beach Avenue section in the waterfront 30 district.

The 4,000 square foot lot fails to meet the 30,000 square foot size, fails to meet east side setback and rear setback requirements. The proposed alterations are to add a 20 foot by 9 foot deck to the west side about 9 inches off the ground with a rail and lattice around it. The alterations will not increase the existing

nonconformity. No one appeared at the public hearing in opposition.

A Variance was granted to Mr. Leonard N. and Mrs. Janice E. Francoeur, Jr., 87 North Street relating to their property to construct an enclosed swimming pool in the residence 20 district. The variance was granted from the applicable 125 foot frontage requirement, as the frontage is 90 feet, 35 feet short of the required 125 feet.

At the time of the adoption of the 1967 zoning law, lots 122 and 212 were held in common ownership, thereby constituting a single lot. In 1973 the lots were illegally subdivided by the previous owner and it is the consequence of the 1973 transaction for which the petitioner seeks relief. The

Board established lot 122 as a single parcel of land, thereby allowing the setting off of a lot that meets the 20,000 square foot area requirement but does not meet the 125 foot frontage.

The Board noted that a number of lots on the west side of North Street have frontage well under the 125 foot requirement. The 90 foot frontage is consistent with other North Street frontages. The enclosed 22 foot by 37 foot enclosed pool was granted because a literal enforcement of the zoning law would involve substantial hardship to the petitioner.

thinking about fun, not safety, said Safety Officer Ennis. "This puts an added burden on drivers who need to be especially careful when driving in residential areas."

Safety Officer Ennis has some advice for parents to help make this Halloween safe for their children.

1. The most important thing is visibility. Make sure your children can see and be seen. If the children must be out at night, they should wear light-colored costumes, preferably outlined in reflective tape.
2. A flashlight will not only allow them to light their patch, it will serve as a warning to oncoming motorists.
3. Face masks can reduce peripheral vision. An alternative is makeup.
4. If a face mask is necessary make sure the children know to take off the mask before crossing the street.
5. Make sure a parent, older brother or sister, or guardian goes with the children when they trick or treat.
6. Be sure the children travel in groups rather than alone.
7. Plan the trick or treat route ahead of time. Pick streets that are well-lighted.
8. Cross the street at corners, never from between cars.
9. If there is no sidewalk walk facing traffic.
10. Wait until getting home to sort, check and eat treats.

Teamwork between parents, drivers and children can help make a safe Halloween, reminded Chief Moran and Safety Officer Ennis.

Golf Course Design Featured

According to a statement released this week by Robert Donovan of the Keller Company, the Brandt Island Golf Club being developed by the Keller Company on 430 waterfront acres off Brandt Island Road will be presented as a model of environmental engineering before the Urban Land Institute, the nation's foremost land planning group.

According to Bradford Saunders, director of Environmental Services for Sasaki Associates, the Mattapoisett project is being presented to the Urban Land Institute as a state-of-the-art example of environmental engineering in golf course design.

Saunders has been invited to demonstrate the Brandt Island systems at this week's quarterly meeting of the Urban Land Institute in New York.

Sasaki Associates, based in Watertown, Massachusetts, is a nationally respected engineering and landscape architectural firm.

"The excitement is about water quality", said Saunders. "We have designed a system that will leave the wetlands and the groundwater wells with essentially the same water quality despite all the construction and irrigation that will take place."

Saunders will be accompanied to the New York presentation by Joseph Keller,

the course's principal developer.

One important element of the integrated system of water quality management, says Saunders, is that rainwater collected from the greens, which may contain mild concentrations of fertilizers and pesticides, will be collected in man-made irrigation ponds for recycling back onto the greens. Those ponds will also serve as water hazards on the golf holes.

Other features include design of grass swales for drainage, and the planting of grass filter strips between fairways and sensitive areas.

Extensive efforts have also been made to leave the natural wetlands unspoiled, to preserve wildlife corridors, and to protect the offshore fisheries by maintaining the water quality.

All Hallow's Eve Dance

ENGLISH COUNTRY DANCE

Dress up in costume and learn to kick up your heels the old English way at the Plimoth Plantation's annual All Hallow's Eve English Country Dance.

Slated for Saturday, October 28th, from 8 to 11 p.m. at the Plantation's Visitors' Center, the dance will, for the second year, show attendees how the English celebrated this much-anticipated holiday in the 17th century. In true Hallow's Eve fashion, the evening will send visitors not only into another style dress, but also into another style of life.

Merrymeeting Musical Menagerie, an old English country band, will set the mood with their traditional English music, as well-known Boston dance instructor George

Creative dress, as it was then, is encouraged but not required, and light refreshments will be served. Information will be offered throughout the evening to help the guests understand better the 17th century celebration of the event.

To take part in this special event, registration is required by calling the Plantation at 746-1622. Admission for the evening is $5. for members and $8. for non-members.

SUPER TIDE

On Sunday, October 15th, a sandbar appeared that had not been seen in many a moon. The greatly exaggerated tide made for some great shellfishing as bottom that had not been fished in a long, long time lay exposed. At the town wharf, as seen here, the entire ramp and beach beside it was laid bare. The angle of the gangway reminds one of Maine.

Zeiterion Theatre

ANNUAL BOARD DINNER

Writer, actor and performer Spaulding Gray will be the guest speaker at the fifth annual Zeiterion Theatre Board of Trustees' dinner and installation of new board members on Wednesday, November 1st, at 6:30 p.m.

In addition to the installation of new board members, Zeiterion Theatre Achievement Awards will be presented to a company and individuals in recognition of their special contributions to the theatre.

The evening will include a cocktail reception and a sit-down dinner with a choice of entrees, poached salmon or roast sirloin strip.

Mr. Gray has performed throughout the United States, Europe and Australia, including "Sex and Death to the Age of 14", "Booze, Cars and College Girls", "A Personal History of the American Theater", "India and After (America)", "Swimming to Cambodia" and "Terrors of Pleasure". His "Swimming to Cambodia" became a critically acclaimed film by Jonathan Demme and "Terrors of Pleasure" was televised as a special for HBO.

Mr. Gray has also appeared on Broadway in the role of the Stage Manager for the revival of Thornton Wilder's "Our Town". His films include "The Killing Fields", "Swimming to Cambodia", "True Stories", "Stars and Bars", "Clara's Heart" and "Beaches". His publications include a collection of his monologues, and the upcoming novel Impossible Vacation. He has received a Guggenheim Fellowship and grants from the National Endowment for the Arts and The Rockefeller Foundation.

Tickets for the evening are $40. per

Carmen Comes to Zeiterion

It's 19th century soap opera at its best as the bewitching gypsy Carmen seduces the innocent Don Jose, only to leave him for the heroic matador Escamillo, when ICM Artists, Ltd. presents the nationally acclaimed Western Opera Theatre and its production of Carmen at New Bedford's Zeiterion Theatre on November 4th at 8:00 p.m.

This English-language production of Carmen marks the first time the Zeiterion Theatre has offered a fully-staged opera, complete with orchestral accompaniment. Carmen is the second offering this season in the Greater New Bedford Concert Series sponsored by Delken Professional Dry Cleaners. Additional funding for the series comes from the New Bedford Arts Lottery Council.

One of the world's most famous operas, Carmen tells the story of a tempestuous gypsy girl who sets into motion an unintended avalanche of passion that engulfs her and the naive young soldier whose attraction to her destroys them both. Even those who have never attended an opera before will find themselves recognizing the famous "Habanera" and "Toreador Song", which are merely two of the countless melodies that highlight Bizet's score.

In this production of Bizet's immortal

opera, Director Hans Nieuwenhuis recreates Carmen with all the immediacy and freshness the composer intended with Carmen as a young girl of 16 or 17. According to Nieuwenhuis, the story by French writer Prosper Merimee on which Bizet based his opera is quite clear in making Carmen a young girl.

Western Opera Theatre is the professional touring company of the San Francisco Opera and is dedicated to bringing high quality productions of live opera to communities that are not served by a resident opera company. Western Opera Theater has given over 1,500 performances of 35 operas for over 2 million people across the United States during its 23-year history. In 1987 Western Opera Theater became the first professional American opera company to perform in the People's Republic of China.

Carmen will be performed at the Zeiterion on November 4th at 8 p.m. Tickets are $26.50, $23.50 and $20.50 and are available at the Zeiterion box office at 994-2900 and at all Ticketmaster locations or by calling Ticketmaster at 617-787-8000. Senior and student discount, $2.00. Group rates are also available.

The Zeiterion Theatre is located at 684 Purchase Street in downtown, historic New Bedford. The theatre is fully accessible and there is plenty of free parking.

Plimoth Plantation

A PLANTATION FIRST
SPEND AN EVENING WITH COLONISTS

Evening, a time for Americans to touch base with family values and relationships; a quiet hour to reflect on the day with the ones you love.

Like today's fast paced, overworked society, the colonists of Plimoth Plantation had little time to reflect on family values and personal feeling during the daylight hours.

Until now, that aspect of the colonist's life has not been available to the public. But on November 3rd from 7 to 9 p.m. all that will change when the Plantation opens its village for the first time for evening hours, thus opening a whole new aspect of Pilgrim life to the public.

The evening, which will feature the Standish and Winslow families going through their evening duties, allows the visitor to get a unique, firelit look at Pilgrim relationships.

Through traditional English storytelling, quiet chats while cleaning up after "supps", and shared religious readings by the light of the fire and the rush lamps used in the early 17th century, visitors

Playwright Durang

TO VISIT SMU NOVEMBER 8

Playwright Christopher Durang, an Obie and Tony Award winner for Broadway and off-Broadway productions, will visit Southeastern Massachusetts University November 8 to give a free dramatic reading and commentary, lecture in classes, and discuss censorship of his works.

"Christopher Durang Explains It All To You", the dramatic reading, will be held at 8 p.m. November 8th in Room 153 of the Visual and Performing Arts Building. The public is invited and should use parking lots 8 and 9.

Additionally, Durang will lecture to English classes and appear in the SMU Library's public forum "Revealing Secrets: Our Right to Know" at 2 p.m. November 8th in the library browsing area, first floor. A newspaper reporter, an executive for Amnesty International USA, and a conservation activist are also among the panelists who will explore government secrecy and public access to information.

Your Theatre Inc., a non-profit community theatre group, is performing two one-act Durang plays at 8 p.m. October 25-28 in the theater at 71 Maxfield Street, New Bedford.

The comedies are "The Actor's Nightmare" and "'Dentity Crisis". To reserve tickets call 993-0772.

Durang's plays are usually absurdist farces filled with caustic humor. They include the Obie award winning "Sister Mary Ignatius Explains it all to You", Tony award nominee "A History of the American Film", "Baby with the Bathwater" and "The Marriage of Bette and Boo".

An actor as well as playwright, Durang received an Obie for his performance in the off-Broaday production of "Bette and Boo". He holds a master's degree from the Yale School of Drama.

Durang's visit is sponsored by the SMU President's Guest-in-Residence lecture series. For more information telephone SMU at 999-8765.

Visit to El Salvador

Professor James Hijiya, a history professor from Southeastern Massachusetts University, will speak about his June visit to El Salvador with five other educators representing FACHRES - Faculty for Human Rights in El Salvador. The delegation interviewed academics, clergy, labor leaders, human rights workers and others.

The event will be held on Thursday, October 26th, at 7:00 p.m. at the New Bedford Friends Meeting House, 83 Spring Street, New Bedford.

Carol Galante of Sts. Martha and Mary Church in Lakeville will also speak about the sister church project with the people of San Rocco in El Salvador. Beautiful handmade crafts from the San Rocco parish will be on sale at the event.

A 15-minute video "Winning Democracy" will be presented which details the struggle for human rights and democracy in the Massachusetts sized, Central American nation. Michael Prokosch of the New England Central American Network (NECAN) will give an up to the minute report on the situation in El Salvador.

The Central American Committee of Greater New Bedford Jobs With Peace will kick off a Human Rights Campaign at this event which hopes to bring one hundred New Bedford area residents into the Rapid Response Network (R.R.N.). The R.R.N., which is coordinated regionally by NECAN sends telegrams to military and government leaders of El Salvador, when human rights and political activists are abducted by the police, army of death squads.

Jailbirds Wanted

Jailbirds are needed. No experience is necessary. The Greater New Bedford Unit of the American Cancer Society needs volunteers who are willing to go behind bars for an hour or so on November 1, 2 or 3 from 8 a.m. to 6 p.m., during its 6th annual Jailathon. It's all in good fun. The "jail" is center stage at the North Dartmouth Mall. The object is to raise a set "bail" by calling friends, relatives or colleagues for pledge donations. The bail money, of course, goes to cancer research, education and cancer patient services.

According to Diana Costa, area director, there are about 30 slots left for volunteer jailbirds. Others will be surprise arrested on one of the three days. Anyone can have a friend or colleague arrested for a $25. donation to the American Cancer Society. Arrests are made by off-duty deputy sheriffs from the Bristol County Sheriff's Office. The deputies will come to the home, workplace or favorite restaurant complete with warrant and handcuffs. No one is ever taken away against his will, assures Diana Costa, but most people are good sports. And once they get there, they actually enjoy the fun and camaraderie of the event. Many surprise arrestees actually volunteer the following year.

This year, radio station WNBH will be doing a live broadcast from the scene during the morning hours of all three days. And many local celebrities and media personalities are on the Sheriff's Office hit list.

Last year, more than 350 jailbirds were able to raise over $127,000 from over 7,000 contributors. The Greater New Bedford JAILATHON raised more money than any other American Cancer Society Jailathon in Massachusetts -- including the City of Boston. The Greater New Bedford Unit received two awards from the American Cancer Society for last year's efforts while

Chuck Franklin, last year's fund-raising chairman received a personal award for his efforts.

Volunteers may be surprised at how much money they can raise in a short time. Mike King, Industrial Sales Manager of Mass Gas & Electric Supply, raised $4,500 last year -- the record amount for an individual. Those interested in volunteering to be arrested should contact the American Cancer Society Office, 37 Taber Street, New Bedford; 996-6262.

Arts and Crafts Fair

An Arts and Crafts Fair will be held at the Smith Mills Church, North Dartmouth on Saturday, November 4th, from 10 a.m. to 4 p.m. Lunch will be served.

Y.M.C.A.

"The Greater New Bedford YMCA is having an Open House on Sunday, October 29th, from 1-4 p.m.", according to Jeff Golding, Associate Executive Director. "The YMCA strengthens more than muscles", adds Golding, "and we invite you to our open house to find out how. Come dressed to play!"

Activities for the open house include tours of the YMCA facilities, games, refreshments, program demonstrations, fitness classes and free blood pressure screening.

The Greater New Bedford YMCA is located at 25 South Water Street in New Bedford. For more information phone 997-0734.

FALL REGISTRATION

The Greater New Bedford YMCA began registration for the Fall 2 session on Monday, October 23rd for YMCA members, and will begin registration for the general public on Monday, October 30th, according to Jeff Golding, Associate Executive Director. "We offer programs that strengthen family relationships and help individuals to grow in body, mind and spirit. YMCA programs also help people grow personally, clarify values, improve personal and family relationships, appreciate diversity, become better leaders and supporters, develop specific skills and most importantly have fun!"

Classes for the Fall 2 session begin on Monday, November 6th, and run for seven weeks concluding the week of December

TIME LIMIT ON
CASHING BENEFIT CHECKS

The U.S. Department of Veterans' Affairs (VA) announced that, effective October 1, 1989, recipients of VA benefit checks have one year in which to cash them. Previously, there was no time limit on cashing government checks.

The new policy, the result of legislation bringing federal check-cashing policies in line with the private section, requires that checks issued by the U.S. Treasury Department on or after October 1, 1989 carry the notation "Void after one year".

Also affected are uncashed checks issued prior to that date.

Checks issued before October 1, 1989 must be cashed no later than September 30, 1990. Checks not cashed by the deadline will be cancelled by the Treasury Department, and recipients will have to request the authorizing agency or department to re-issue them.

The new check-cashing deadlines do not affect an individual's entitlement to the benefit payment. Also not affected are direct deposit of government checks.

"We encourage veterans and their dependents who receive monthly VA benefit checks to request that their payments be transmitted electronically from the Federal Reserve to the beneficiary's bank account," Montgomery advised. Of the 4 million VA compensation and pension payments processed each month, nearly 50 percent are released through the direct deposit program.

For further information contact the Department of Veterans' Affairs' toll-free 1-800 556-3892, or in Mattapoisett and Rochester call 758-3759.

Lloyd Center

WEEKLY WALK - WINTER WATERFOWL

On Sunday, November 5th, the Lloyd Center for Environmental Studies will sponsor a walk focusing on Winter Waterfowl. Walkers will meet at the Lloyd Center, 430 Potomska Road in South Dartmouth where they will form car pools and travel to Gooseberry Neck in Westport.

The walk is open to the public and is free of charge, but walkers must pre-register to attend. For pre-registration and information call the Lloyd Center at 990-0505.

Bob Caron, who will lead Sunday's walk, has extensive birding experience in this area. An instructor at Bristol Community College, he has also co-led the Lloyd Center's popular "Owl Prowl" walks which take place each February.

This walk is part of the Lloyd Center's Weekly Walk Series. The Center sponsors open walks on various topics each

Sunday. The walk on the first Sunday of every month focuses on local birds. Upcoming weekly walks include: November 11, a "Moon Watch" and on November 19, "Turkeys and Other Birds of Myles Standish State Forest". For more information on these and other Lloyd Center events call the Lloyd Center at 990-0505.

Seal Watch

Harbor seals. You may have seen them put on a show at a nearby aquarium, now is your chance to see them in their natural habitat. Hundreds of harbor seals can be seen basking in the sun on Pease Ledge and Gull Island off of Cuttyhunk Island on any given day. Join the Lloyd Center on Saturday, November 25th, from 9:30 a.m. to 4:00 p.m. for a "Seal Watch".

We will travel to Cuttyhunk via the M/V Alert II. As we observe the seals basking on Pease Ledge and Gull Island, we will learn about the behavior, breeding biology, anatomy and physiology of these winter visitors. We will also learn about the natural and human history of Cuttyhunk Island, the westernmost of the Elizabeth Islands.

Space is limited, so be sure to register today. Thie one-day adventure is being offered for $30. for Lloyd Center members and $40. for non-members. This fee includes natural history interpretation,

Nemasket Gallery Art Auction

The public is cordially invited to an auction of fine art and the crafts contributed by southeastern Massachusetts' finest artists on Saturday evening, October 28th, starting promptly at 7:00 p.m., when the Honorable John K. Bullard, Mayor of the City of New Bedford will open the Gallery's second major fund-raising event by auctioning the first piece, a sculpture by Robin Taffler, Assistant Professor, Fine Arts Department at Southeastern Massachusetts University.

Mayor Bullard will then pass the gavel on to a team of auctioneers, Professor Robin Taffler and Stephen Cabral of Stephen & Company, North Dartmouth. Professor Taffler and Mr. Cabral will be presenting ceramics, fiber work, jewelry, paint-

A new feature of this year's benefit auction will be seven outfits designed by Kire, the design time of Elin Noble and Lucy Iannotti.

All proceeds from the auction will benefit the non-profit Nemasket Gallery. An auction preview will be held on Friday, October 27th, from 4:00 to 6:00 p.m. It will be possible to leave reserved bids on auction pieces.

The Nemasket Gallery, as an integral part of the Nemasket Group, is dedicated to exhibiting the fine art and crafts produced by artists living and working in southeastern Massachusetts. The Nemasket Group provides career training and supported employment services to persons with developmental disabilities.

The doors open at 6:00 p.m. on the 28th and the auction begins at 7:00.

Service Academy Applications

BEING ACCEPTED BY STUDDS

The deadline is approaching for applyig for nominations to the United States Service Academies, according to Congressman Gerry E. Studds (D-MA).

"As Representative of the Tenth Congressional District, it is my privilege each year to nominate students for appointment to the U.S. Air Force, Military, Naval and Merchant Marine Academies", Rep. Studds said. "I have been very pleased by the enthusiastic response thus far from young men and women across southeastern Massachusetts interested in the Academies for academic year 1990-91."

Congressman Studds emphasized that the deadline for submitting completed application materials to his office is November 1.

As in the past, all Academy applications will be reviewed by Studds' Service Academy Nominee Selection Committee, which is comprised of distinguished southeastern Massachusetts residents. The Selection Committee will recommend the most qualified applicants from the Tenth Dis-

eye talk

Q. Can Halloween masks be a safety hazard?

A. Yes, they can. When eye holes are too small or the mask slips out of place, your child's view can be blocked.

Optometrists recommend using non-allergenic makeup instead of masks. Then your children will have a clear view of oncoming cars, steps, curbs and obstacles in their path. Parents should double as makeup artists to keep makeup and applicators out of the child's eyes.

Another Halloween safety trick is to decorate costumes with retro-reflective material on front, sides and back. Optometric studies show it is the only material safely visible to drivers at normal and even high speeds.

Also caution your children to walk on sidewalks or in yards; to look carefully before crossing a street; and to carry a battery-operated light to see and to be seen.

From Old Colony

NAPA REPRESENTATIVES VISIT SCHOOL

Recently the Old Colony Regional Vocational Technical High School's Automotive Department was visited by two NAPPA representatives. These representatives lectured to the automotive students on proper removal and installation of car batteries, along with storage and proper safety techniques when handling car batteries.

The representatives also discussed anti-skid brake systems, the use of gas and hydraulic shocks and the newly manufactured fiberglass brake shoes.

Both representatives were provided by Liberty Auto.

All-Weather Leather
by Dooney & Bourke

A unique blend of beauty and durability, All-Weather Leather is naturally water repellent, supple, and rugged enough to withstand almost anything. No wax or silicone treatment is necessary - dirt washes off with soap and water. It's that easy.

Rich and lasting colors - sixteen of them!
Because the Dooney & Bourke collection offers such a choice, we will special order any color preference or any bag not in stock.
